

REMARKS

Upon entry of this amendment, claims 1-21 will be pending in the application. Claims 1 and 10 are amended consequent to the election herein. Claims 6 and 9 are amended to recite additional embodiments of the invention, support being found, e.g. on page 6 lines 8 and page 9 lines 16 and 19-21. New claims 13 -21 are added, support being found, e.g. on page 1 line 14, page 6 lines 17-23, and in the claims as originally filed. The claims are also amended to correct typographical errors or make idiomatic revisions. No new matter is being added.

On page 2 of the Office Action, the Examiner requires an election of a single invention to which the claims must be restricted, from the following groups:

- Group 1, claims(s) 1-12 (in part), drawn to compounds, compositions and methods of use wherein Z1 is N
- Group 2, claims(s) 1-12 (in part), drawn to compounds, compositions and methods of use wherein Z1 is CR1a

In response to the requirement for restriction, Applicants elect Group 1. Applicants reserve the right to pursue the non-elected subject matter, as well as any other subject matter supported by the application, e.g. in a continuing (including divisional) application.

Entry of this amendment and consideration of each of the claims is respectfully requested.

Respectfully submitted,

Loretta J. Sauermelch
